WHO WOULD YOU LIKE TO RAISE MONEY FOR?

EXERCISE, DANCE AND MOVEMENT CLASSES FOR UNDER 5s AND THEIR PARENTS/CARERS

Please help us raise money to deliver more of our Trumplers Jumpers classes. We currently deliver at 6 different venues throughout the borough and want to do more.

The content of the class includes exercise, dance, movement, music and song. These classes are free and accordingly, accessible to all.

The positive impact the classes have on the children and their parents/carers is huge ranging from a better understanding of the take up of a healthier lifestyle; assistance with physical development; and personal, social and emotional encouragement.

The Trumplers Jumpers Sessions are a fantastic way for families to have fun, be sociable and get active. Each week we see the positive impact the classes have on the children and families that attend, and every week we are reminded of the difference our classes can make!

Please help us to reach more families with the work that we do.

We have also started to help in other areas of delivery, such as Stay and Play, where resources are stretched and where we can be of great assistance whilst meeting the needs of the community.

We promise to employ, train and develop from within the community wherever possible.

We really believe in our work and hope you can help us to do more. Timetable at <http://community-solutions.org/activities-for-children-parents-carers-east-london/>
